STATEMENT

Radio Communications Inc. ("Carrier") has established operating procedures that ensure compliance with the Federal Communication Commission ("Commission") regulations regarding the protection of customer proprietary network information ("CPNI").

- Carrier has adopted a manual and keeps it updated with FCC CPNI rule revisions, and has designated a CPNI compliance officer to oversee CPNI training and implementation.
- Carrier continually educates and trains its employees regarding the appropriate use of CPNI. Carrier has established disciplinary procedures should an employee violate the CPNI procedures established by Carrier.
- Carrier has implemented a system whereby the status of a customer's CPNI approval can be determined prior to the use of CPNI.
- Carrier does not maintain a record of its and its affiliates' sales and marketing campaigns that use its customers CPNI as we do not have any customer information that pertains to CPNI. Carrier does not maintain any type of record of any instances where CPNI was disclosed or provided to third parties, or where third parties were allowed access to CPNI or any record includes a description of each campaign, the specific CPNI that was used in the campaign, and what products and services were offered as a part of the campaign.
- Carrier has not established a supervisory review process regarding compliance with the CPNI rules since we do not do any type of outbound marketing situation with regard to CPNI records.
- Carrier does not have any established procedures to notify law enforcement and customer(s) of any disclosure information that pertains to CPNI information.
- Carrier took the following actions against data brokers in 2017, including proceedings instituted or petitions filed by Carrier at a state commission, in the court system, or at the Federal Communications Commission: **NONE**
